USE THESE STAMPS!!

The widespread use of "Stamps for Heroes" on all of your mail to the boys will be a welcome sight—a convincing gesture that you are behind them.

We urge you who buy these stamps to bring them to the attention of others so that their use be universal, for to receive a letter from "back home" with a request to "rush," carries with it the importance of a telegram or special delivery letter. And—You help to whoop it up for Uncle Sam.
